**This product is sold disassembled.**

**End use:** table for home and contract suitable to furnish home, break-out area, waiting room, lounge, restaurant, canteen and bar.

**Materials, properties and details****Components**

The **frame** is composed of a round metal base Ø460 mm, thickness 8 mm and a metal column, Ø50 mm. Base and column are powder coated with polyester varnish of the following finishings: aluminium S14, matt black (RAL9005) and white (RAL9010). Chromium plated column available, to be matched with base covered, with inox stainless cover.

The **top** is in **high-pressure decorative compact laminate(s) (HPL)**: Sheet(s) consisting of layers of cellulosic fibrous material (normally paper) impregnated with thermosetting resins and bonded together by the high pressure process described below. The surface layer(s) on one or both sides, having decorative colours or designs, are impregnated with melamine based resins. The core layers are impregnated with phenolic based resins.

Thickness top 10 mm.

The finishings available are black, white and aluminium.

**Gliders** are made of low attrition plastic material.

**Packaging** is made of a cardboard boxes and polyethylene sheets

**Requirements**

**REACH** is the European Union regulation that addresses the production and use of chemical substances. This product contains only substances compliant with the above-mentioned regulation and does not contain any "substance of very high concern" (SVHC).

**Fire resistance****1-Hpl (Top)**

UNI EN 13501-1 B-s1, d0

**Ordinary cleaning and maintenance**

Any spills should be wiped up immediately with a clean, dry cloth.  
Use neutral detergents only.  
Avoid cleaning with abrasive sponges.

**Extraordinary maintenance**

Supplier suggested personnel only.

**Precautions for use**

Check periodically that the screws are correctly tightened.  
Do not climb on the table.  
When moving the table, make sure that it is lifted properly.  
Contact with hot items can damage the surface.  
In case of children use, please consider the supervision of an adult.

*Arrmet srl is not liable for any damage that may result from the product misuse.*

**Ecology****Harmful substances**

This product is not toxic nor hazardous to human health, animals or environment.

**Waste disposal**

(\*) We use recyclable packaging wherever practical, and encourage all our customers to recycle the packaging supplied with the product. Please utilise the waste collection and recycling service operated by your local authority, or take the waste packaging to a suitable recycling point.
