Create a worldly and inspiring Dutchbone brand experience.

We offer you the following tools:

* Newsletters and social media

Stay up to date with new products, events and other relevant information about our brand through our newsletters.

Don't forget to follow us on social media for daily inspiration and more.

* 3D images

Explore our large selection of 3D images, available on our website. Ideal for your projects! AR files are available too. Contact us for more information.

* Image bank

Download high resolution images from our online image database.

* Point of Sale materials

Choose from our wide range of in-store communication materials (Point of Sale materials), availability depends on your type of dealership and chosen shop solution.

Customised support for our clients all over the world.

Benefit from these features:

* Sales app

Take advantage of the mobile Zuiver app: always at hand, place your order anywhere and anytime, use the barcode scanner to get product info and to order items. Available for iOS and Android.

Want to download the mobile app? Search for Zuiver in the App store and Google Play Store and our logo will pop up!

* Dealer login

Visit our dealer login for up-to-date product info such as prices and stock, accessible via desktop and tablet.

* Sales Support team

Get customised support by our all-round international Sales Support team.

Energy labels

These are the energy labels currently in use for the Dutchbone lighting collection. You can find the applicable label number in the specifications of each light fixture.

Label 1

Label 8

Dimmable

When using a dimmer, make sure to choose a dimmable bulb.

Fire retardant

Items marked by this icon, are fire retardant. Turn to your account manager for more information.
