IT - Il design Ditre Italia progettato per rendere unici gli spazi più intimi e personali. Anche gli ambienti della zona notte diventano parte di un progetto organico. EN - Ditre Italia design is created to make the most intimate and personal spaces unique. The spaces in the night area also become part of an integrated project. IT - Un piano essenziale poggia su una base scultorea formata da due colonne ispirate alle agorà greche. A svelarne la complessità è il rivestimento in materiali primari, come il cemento e il marmo. Un tavolo che arreda la zona pranzo con discrezione.

EN - A minimalist top rests on a sculptural base formed by two columns inspired by the Greek agora. Its complexity is revealed by the covering in primary materials such as cement and marble. A table discreetly furnishes the dining area.

DE - Die essentielle Tischplatte ruht auf einem plastischen Grundgestell, das von zwei Säulen gebildet wird, die denen einer antiken griechischen „Agora“ nachempfunden sind. central park

design Daniele Lo Scalzo Moscheri

IT - Central Park è un tavolo e una scultura allo stesso tempo dove la combinazione tra colore, linee curve e spessori ridotti si armonizza alle tante ed originali finiture del piano. Prendendo invece in prestito gli stilemi riferiti ai sedili delle auto d'epoca sportive è nata la collezione di sedute Central Park disponibile in tre soluzioni.

EN - Central Park is both a table and a sculpture in which colours, lines, curves and slim panels combine to harmonise with the many original finishes available for the top. The collection of Central Park seats, on the other hand, is available in three different versions and imitates the style of vintage sports car seats.

DE - Das Modell Central Park ist Tisch und Skulptur zugleich, wobei die Kombination aus Farbe, gerundeten Linien und geringen Stärken perfekt zu den zahlreichen und ausgefallenen Ausführungen der Tischplatte passt. Die in drei Varianten erhältliche Sitzmöbelkollektion Central Park ließ sich beim Stil hingegen von den Sitzen der Oldtimer-Sportwagen inspirieren.

FR - Central Park est à la fois une table et une sculpture où la combinaison des couleurs, des lignes courbes et des épaisseurs fines, s'harmonise avec les nombreuses et originales finitions du plateau. Les fauteuils Central Park, déclinés en trois solutions au choix, empruntent en revanche leurs formes aux caractéristiques sièges de voitures de sport anciennes.

The load-bearing metal frames also originate from a circular shape, covered with prized, heavy-duty leather or soft leather, in harmony with the smoked or transparent glass of the table.

EN - When you want to increase your comfort, choose from one of Ditre Italia's headrests, designed to complement various sofa collections. They come in all our sample materials so that they can be coordinated with the sofa of your choice.

DE - Wenn der Sitzkomfort noch nicht ausreicht, können von Ditre Italia angebotenen Kopfstützen eingesetzt werden, die so konzipiert wurden, dass sie mit mehreren Sofakollektionen kompatibel sind. Sie sind in allen Materialien der Musterkarte erhältlich und passen daher perfekt zum ausgewählten Sofa.

FR - Pour plus de confort, les repose-tête proposés par Ditre Italia ont été créés comme objet transversal pouvant s'utiliser sur plusieurs collections de canapés. On pourra les demander dans tous les matériaux présents dans les divers nuanciers proposés, afin de les assortir à la finition choisie pour le canapé.

cushions

IT - Ogni divano ha un suo carattere, i cuscini decorativi a volte sono anche sostegni. Mettere insieme gli oggetti liberamente è l'azione entro la quale ogni cliente può metterci personalità. Ditre Italia, invitando a rendere lo spazio unico, suggerisce sempre di dar sfogo alla creatività di ognuno utilizzando soggettivamente l'ampio campionario tessile.

EN - Each sofa has its own character and sometimes scatter cushions can even be used to prop you up. Each customer can reflect his own personality in the way he freely arranges items. Ditre Italia is happy to see everyone using their creativity to the full by taking their personal pick from the wide range of fabric samples available to make each and every space unique.

DE - Jedes Sofa hat seinen Charakter, die Dekorkissen dienen manchmal auch als Stütze. Dank der freien Kombination der verschiedenen Elemente kann jeder Kunde seine persönliche Geschmacksvorstellung verwirklichen. Ditre Italia lädt zu einer einzigartigen Gestaltung des Raums ein und bietet jedem Einzelnen die Möglichkeit, der Kreativität dank der großen Vielfalt der Textilien freien Lauf zu lassen.

FR - Chaque canapé a son propre caractère et, parfois, les coussins décoratifs font également office de soutien. Pouvoir mettre ensemble les objets en toute liberté donne la possibilité, à chaque client, de créer selon sa propre personnalité. En invitant le client à transformer son intérieur en un espace unique, Ditre Italia suggère de donner libre cours à sa propre créativité en utilisant subjectivement la vaste gamme des textiles proposée.
