

ARCOS

arper

Arcos

A classical form, repeated. The Arcos collection is a restrained interpretation of Art Deco's geometric glamor – without the ornamentation. Though lightweight and quiet, Arcos maintains a graphic presence due to its signature cast aluminum armrests that form twin curves evoking the elegant rhythm of archways in the corridors and walkways of classical architecture.

Designer

Lievore Altherr – Alberto Lievore (Buenos Aires, 1948) and Jeannette Altherr (Heidelberg, 1965) – begins in 2016 after a 25 year trajectory as Lievore Altherr Molina. The Barcelona-based studio specializes in product design & development, strategic consulting, creative direction, art direction, and architecture for internationally recognized design companies. Lievore Altherr develops projects using an established strategy: a creative concept integrating product design and its communication. This holistic approach, humanist character, and the search for the essential in their projects – combined with a sensibility that transmits harmony and balance – characterize the designs of Lievore Altherr.
