Pix

Graphic silhouette and color define the soft, generous volumes of Pix. A family of ottomans and side tables, at once inviting and iconic, Pix provides a casual touch of comfort in both contract and residential environments, inside or outside. Pix is available in the one, three or five seat versions, and offers a wide choice of fabrics and colors. Pix Outdoor consists of an inner flow-through polyurethane structure and polyester upholstery making it suitable for outdoor use and is available in the one and three seat versions. The five seat version is only available upon request. The Mini version is also available: a small ottoman that is extremely versatile, as it can be used as a table or as a seat. The collection is complemented by the Pix table, the perfect solution for waiting rooms or relaxation areas thanks to its small top that can be adjusted to a range of heights.
