## Istruzioni uso per tavolo serie 3000- 3000 Series Instructions for Use

### Apertura tavolo – Leg Opening

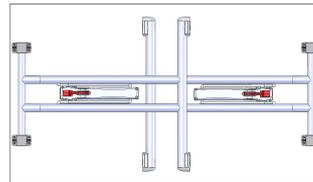

*La prima gamba da alzare è quella che sormonta l'altra*

*The first leg to open is the one laid on the other one*

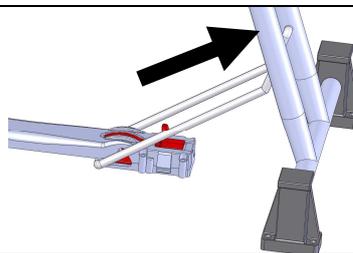

*Appoggiare il tavolo al pavimento*

*Laid the table on the floor*

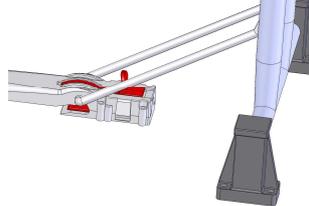

*Alzare la gamba*

*Lift the leg up*

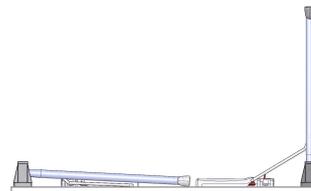

*Tirare fintanto che l'aggancio non viene bloccato dal meccanismo*

*Pull until when the sliding rod link clicks into the mechanism*

*Stessa procedura per l'altra gamba*

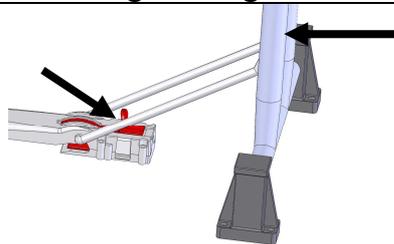

*Same operation has to be done for the other leg*

### Chiusura tavolo – Leg folding

*Tirare il gancio del bloccaggio per lo sblocco dell'aggancio.  
Quando il meccanismo è sbloccato spingere la gamba verso l'interno.*

*Pull the blocking-unblocking button to release the sliding rod link.  
When the sliding rod link is released, push the leg forward and down*

*Stessa procedura per l'altra gamba*

*Same operation has to be done for the other leg*
