The Riff Sofa is a study on the classic modular sofa, elaborating on the simple boxy modules. The fluted upholstery adds a certain rhythm to the minimalist sofa modules and turns the modular sofa into a refined piece of furniture. Each module has refined piping that gives an elegant detail. The word Riff comes from the world of jazz music and means “to borrow and elaborate on”.

- Available in a variety of fabrics and custom materials
- Deep seating and generous proportions
- Fluted upholstery makes the sofa beautiful from all angles
- Each module has piping around the edges
- Click-Link system to connect modules
- 7 different modules to create your customised sofa
- Optional cushions are available
